Re: ALJ's Proposal for Decision and Proposed Order regarding the application of Far Hills Utility District for Water Quality Permit No. WQ001455-001; TCEQ Docket No. 2005-1899-MWD; SOAH Docket No. 582-06-0568.

This letter concerns the scheduling of oral presentations for the Texas Commission on Environmental Quality's (Commission) deliberation and decision on the above-referenced matter. As previously noticed, this matter has been set on the Commission's public meeting scheduled to begin at 1:00 p.m. on Wednesday, August 22, 2007. The Commission's meeting will take place in Room 201S of Building E, 12100 Park 35 Circle, Austin, Texas. 30 TAC § 80.263 provides as follows:

In proceedings where a judge has held a public hearing and has issued a proposal for decision or other report to the commission, all oral presentations before the commission shall be limited to five minutes each, excluding time for answering questions, unless the chairman or general counsel establishes other limitations. Before the commission meeting, the general counsel may allot time for oral presentations. Oral presentations and responses to questions shall be directed to the commission.

The Commission will take oral argument on all filings concerning this matter. The Office of General Counsel hereby notifies the parties that, as provided by the above rule, the time for oral argument will be 5 minutes each for the Applicant, Protestants, and the Office of Public Interest Counsel. The Protestants may allot their five minutes among them as they see fit. The Applicant may wish to reserve some of its time for rebuttal as the Applicant bears the burden of proof. If the Commissioners need additional information, they may ask questions of the parties after oral argument is completed.

If you have any questions about this matter, please contact Anne Rowland, Assistant General Counsel, at (512) 239-6376.

Respectfully,

A handwritten signature in black ink that reads "Derek Seal".
